Notes:

A small duffel may be shipped directly to the Jamboree in our container. It could include such items as a pillow, sleeping bag, sleeping pad, bath and hand towels, and any other items not needed on the tour. Please do not pack food or anything that would be affected by high temperatures.

Remember to mark EVERYTHING with your name, and either Jamboree troop number, or home troop number and council.

You will need to wear one complete uniform on the day we leave, so don't pack all of them!
